## Hello, Goodbye!

Provide opportunities for children to greet or say goodbye to each other across the day, such as when working in a small group, during morning meeting, or as they sit together for a meal.

Example of greetings/goodbyes:

- Handshake
- High Five
- 🔶 🛛 Fist Bump
- 🔶 Hug
- 🔶 🛛 Air Hug
- Whisper Hello
- Wink
- Roll a ball across the circle to a friend
- Children invent a greeting

- Elbow tap
- Greet in another language
- Greet with a compliment
- Say hello in a low, deep voice
- Say hello in a high, squeaky voice
- Come up with and use a secret handshake

Consider offering visuals to support children to choose from both verbal and non-verbal greetings.
